## Bukhara State Medical University **UZBEKISTAN**

Bukhara State Medical Institute is a well known leading university located in Bukhara city, Uzbekistan, established in 1990. It is listed amongst the top Universities offering graduation in medical science and a better option for international students to study MBBS in Uzbekistan. The low tuition fee along with the high standard of education, advanced laboratories, and basic amenities are some of the reasons for attracting thousands of students from around the world. In this Institution, there are no language barriers, as the medium of teaching is English which is easier to understand by international students. The Institute is recognized by NMC (National Medical Commission), MCI (Medical Council of India), WHO (World Health Organisation), UNESCO (The United Educational Scientific and Cultural Organisation), and from other major medical bodies across the world and has achieved many awards. It provides medical certificates that are globally accepted. There are highly qualified and well-experienced faculty teaching at the institute guaranteeing excellent results as they give more focus on practical training.
